# **Diego Villafuerte Soraiz**

24 years Mexican (52)5554027545 diego.villafuerte.soraiz@gmail.com

Expected graduation: DEC '18

#### **EDUCATION**

## ITAM - Computer Science — 2013 - Present.

I started college majoring in economics, but I then started coding and understood the potential of computer science to impact the lives of millions and decided to change major.

## ITESM Santa Fe - High School — 2010 - 2013.

Awarded the top prize my school had recognizing my outstanding achievement in all aspects of development (Business, academic, philanthropy and sports).

## PROFESSIONAL EXPERIENCE

## Business analyst intern at McKinsey and Co. — Since August 2017

Through McKinsey I am learning the inner workings of big organizations, polishing my problem solving skills and understanding how to make fact-based decisions even with incomplete information.

Advisor to the commissioner - Energy Regulation Commission - Summer 2015. I worked on various topics regarding the mexican energy industry. I got to know on a very deep level how the government and specifically a regulatory agency works.

Owner and operator of two cars on the UBER platform — 2014 - 2017.

#### Investment analyst intern at Afore Profuturo — Summer 2014

I developed models for the valuation of different companies and analyzed innovative financial products (REIT's, CKD's).

#### **EXTRACURRICULAR ACTIVITIES**

**Sports:** Tennis at national competitive level and more than 14 completed triathlons. Mountaineering, reaching heights above 5000M in México and Nepal (For now).

**Hobbies:** Reading: More than 40 non-fiction books a year. Cooking: Cooked for 100+ people. Traveling: visited more than 30 countries.

**Debate:** More than 3 years of experience and captain of the team that won the mexican national tournament.

Languages: Spanish native. Fluent english.

**Technical skills:** Advanced Excel and Alteryx. Code: Python, Java and Lisp at intermediate level. Sql and relational databases. Intermediate-to-advanced knowledge and big interest in data science.

#### **SOCIAL SERVICE**

**Enlace rural:** More than 3000 hours of social service (out of the required 400) in the poor mexican countryside. Coordinating for two years a team of more than 20 people. I have also led the growth of the organization, designing and implementing a data backed process for finding new communities to implement the project on. The group grew from 70 to 150 volunteers during my tenure.
